BIOCHEMICAL SOCIETY SCIENTIFIC MEETING

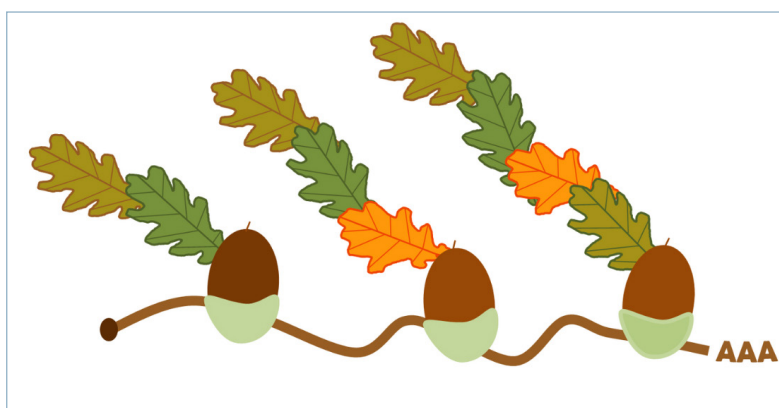

Translation UK

1-3 July 2024

University of Surrey, Guildford, UK

This annual meeting will showcase the latest progress in the mRNA translation field, including topics such as regulatory mechanisms, ribosome structure, diseases associated with translation dysfunction and

therapeutics. Bringing together researchers at all levels, Translation UK provides ample opportunities for PhD students and postdocs to present their work and make new collaborations.

Speakers:

- Julie Aspden, University of Leeds
- Eckhard Jankowsky, Moderna
- Noam Stern-Ginossar, Weizmann Institute of Science
